To-night every precinct in the State has been heard from, and from all but about a dozen the full figures on Bryan and Taft have been received. In the city, with all precincts reported on. Taft has 50,852, and Bryan 49,652, giving the city to the former by just 1,800.

Talt has 50,882, and Bryan 49,982, giving the city to the former by just 1,800.

ST. LOUIS, Mo. November 4.—Returns from nearly eighty-eight counties in Missouri and the city of St. Louis gave Taft 276.401; Bryan, 276.—Sti. a lead for Taft of 1,050.

greatest victory of the campaign, as the

ST. JOHNS X F. November 4.—
Latest returns from the Newfoundland election of Monday show that Sir Robert Bond, premier of Newfoundland, has carried only three seats of the fourteen so far heard from. The other cleven return candidates favorable to Sir Edward Morris, head of the People's party, and a former member of the People's party, and a former member of Premier Bond's Cabinet. Sir Edward and two of his colleagues who carried St. Johns west in the last previous election by 1,400 majority as supporters of Sir Robert, retained their seats.

Democratic Chairman Says Misrepresentation is What Defeated Brydn.
NEW YORK, November 4.—Declaring that the Democratic party is more united to-day than it has been in many years: that Mr. Bryan was defeated by what he claims was misrepresentation, to the effect that his election would hurt business. Chairman Mack late to-day issued a statement, in which he announces extensive plans to advance the party's interests during the next four years.

Mr. Mack's Statement follows:

"There is not much for me to say
and no apologies to make relative to
the victory of the Republican party.

Mr. Bryan made the most magnificent
fight ever waged by a candidate. The
party was made the victim of misrepresentation—a misrepresentation that
Democratic success would retard the
business interests of the country. That
was, of course, an argument without
foundation in fact.

SLEPT PEACEFULLY

Bryan Arose Early, However—Not Yet Ready to Make Statement.

FAIRVIEW, LINCOLN, NEB, November 4.—Although it was after midnight when he actually went to bed, William J. Bryan was up and doing early today. So far as appearance went, there was nothing about his manner to indicate the disappointment which he must have felt over the result of the election. He greeted his callers with a smile and scanned the morning papers for news from States from which no definite returns had been received. "Before making any statement," he said, "I want to get the actual results in Ohio, Indiana and Kansas."

For some time to-day Mr. Bryan talked the situation over with Rev. Father John Nugent, of Des Moines, Ia., one of his staunchest friends, who was a house guest over night. The awo men took a brisk walk to the trolley station, where Father Nugent boarded a car to take him down town.

WASHINGTON, November 4.—"Temporarily defeated, but not conquered is the way Samuel Gompers, president of the American Federation of Labor, sums up labor's view of the election in a statement issued to-day as follows:

(Continued From First Page.) Representatives was the most striking feature of yesterday's election. The latest unofficial returns, complete, give the Democratic party eleven members and the Republicans two. This is a gain of seven members for the Democratis

gain of seven members for the Democrats.

William H. Taft carried the State for Fresient by about \$,000. Thomas R. Marshall and the entire Democratic State ticket are probably elected by a plurality of about 15,000. As the returns come in Marshall's pinrality increases, while the vote on the Republican national ticket decreases.

The State Legislature is probably Democratic, which means that a Democratic successor to Senator James M. Hemingway will probably be chosen. In this connection the name of John W. Kern is mentioned.

Republican State Chairman Goodrich to-day admitted that the Republicans lack two votes of flaving a majority of the State Legislature on joint ballot.

Democratic Governor in Ohio-CINCINNATI, OHIO, November 4.— A plurality of about 50,000 for Judge Tart, the Republican candidate for President was the election day expres-sion of Ohio voters, who, however, chose the head of the opposition State ticket by a plurality of probably 20,-000. More than half the precincts of the State are included in these re-sults, and any later difference will be simply as to the size of the plurality. Both parties claim a majority in the Legislature, which will settle the United States senatorship.

GUTHRIE, OKLA., November 4.—
Complete returns from forty counties an Central and Northern Oklahoma, reretived by Chairman J. B. Thompson, of the Democratic State Central Commitee, give Bryan a plurality of 13,000.
The counties yet to be heard from are argely Democratic. These probably will increase Bryan's plurality to 18,000.

Unofficial complete returns from try counties and partial returns from a thirty-five other counties indicate at the Legislature will be composed 110 Democrats and forty-three Rebilcans. This is a gain of twenty-of or the Republicans. The defeat United States Senator Gore is not reatened.

of United States Senator Gore is not threatened.

Marked gains were made by the Socialists. The party's vote in Oklahoma last year was approximately 19,000. This year's returns may increase those figures to 17,000.

Bird S. McGuire, Richard T. Morgan and Charles E. Creager, Republicans, are elected to Congress from the First, Second and Third Districts, a Republican gain of two.

Burnett Is Elected.

BIRMINGHAM, ALA., November 4.—
Later returns indicate that the Republicans carried four of the seven counties of the Seventh District by small
majorities, but Congressman Burnett
(pemocrat) is re-elected.

Taft polled nearly twice as many
votes in Jefferson county as did Roosevelt four years ago.

Bryan Swept Nebraska

Bryan Swept Nebraska.

Lincoln, NEB., November 4.—Returns from Tuesday's election in Nebraska are far from complete, but seem sufficiently definite to confirm the first report that the Democrats had won a sweeping victory in Nebraska. While the pluralities are not phenonenally large, they are complete, the State ticket and candidates for Congress in most instances running parallel with Bryan.

Complete returns from a third of the counties and scattering precinct returns from most of the remainer show that Bryan will have a plurality of not fewer than 19,060 votes, and Shailenberger, Democrat, for Governor, and the rest of the Democratic ticket will have about 9,000. But the Democratic victory does not stop there. Five of Nebraska's six Congressmen are Democratic, only one Republican, Hinshaw, in the Fourth District, escaping defeat by 700 votes, glinough his district gave Bryan a plurality.

The greatest surprise of all is the overwhelming majority the Democrate will have in the Legislature. Of the 133 Senators and Representatives elected the canvassers of returns to night could find only eighteen Republicans who had won. Lancaster (Lincoln), which for thirty years has elected none but Republican members to both branches, this year sends four Republicans and three Democrats.

Escape from Hospital and Finally Succeeds in Committing Suicide.

PHILADELPHIA, November 4—Determined to take his life, August Kurzaknabe, who slashed his throat a week ago in a suicidal attempt, cludded the nurses of the Episcopal Hospital early yesterday morning, ran a mile through the streets in his night clothes to his home at 3333 Custor Street, and there turned on the gas and lay down on the floor.

He was discovered yesterday afternoon, when neighbors, smelling gas broke open the house.

Kurzaknabe was formerly employed by the Rapid Tansist Company, but lost his position several months ago. Unable to find work, he became despondent.
